

CARLO CAFIERO

curriculum vitae
September 09

Personal data

- date of birth: December 8, 1964
 - place of birth: Castellammare di Stabia, Naples (Italy)
 - citizenship: Italian
 - hometown: Rome, Italy
 - marital status: single
 - military obligations: fulfilled
-

Addresses:

- via Carbone 6, 80069 Vico Equense (NA)
phone/fax: +39 081 8027665
 - c/o Department of Agricultural Economics and Policy, University of Naples Federico II,
via Università, 96 - 80055 Portici, Naples (Italy))
phone: +39 (081) 2539058, fax: +39 (081) 7755143
 - e-mail: cafiere@unina.it

-

Current positions

- **Assistant professor (tenured) (*Ricercatore confermato a tempo pieno*)** University of Naples Federico II. Department of Agricultural Economics and Policy, Portici, Naples (Italy). 2003 -
 - **Senior Research Associate (*Collaboratore Scientifico Ordinario*)** of the *Centro per la Formazione in Economia e Politica per lo Sviluppo Rurale* (Center for training in economics and policy for rural development. Formerly: CSREAM), Portici, Naples, (Italy)
-

Past positions

- Short term **visiting scholar**, Department of Agricultural and Resource Economics, University of California at Berkeley, USA, Nov. 2008 - Apr. 2009
- **Assistant professor (on tenure track) (*Ricercatore*)** University of Naples Federico II. Department of Agricultural Economics and Policy, Portici, Naples (Italy). 2000 - 2003
- **Post-doctoral Fellow (*Borsista post-dottorato*)** University of Naples Federico II. Department of Agricultural Economics and Policy, Portici, Naples (Italy). 1997/1999
- **Graduate Student Instructor**, Department of Agricultural and Resource Economics, University of California at Berkeley, Fall 1997.
- **Graduate Student Researcher**, University of California, ARE Department, Berkeley, CA, August - December 1996, January - June 1997 and January - June 1999.

- **Research Assistant**, University of Arizona, AREC Department, Tucson, AZ. January - June 1995.

Education

- **Doctor of Philosophy (Ph.D.)**, in Agricultural and Resource Economics. University of California at Berkeley. Department of Agricultural and Resource Economics, Berkeley, CA. 2002
- **Doctoral degree (*Dottorato di ricerca*)**, Agricultural Economics and Policy. University of Naples, Federico II. Department of Agricultural Economics and Policy, Portici, Naples (Italy). 1998
- **Masters of Science**, Agricultural and Resource Economics. University of Arizona. Department of Agricultural and Resource Economics, Tucson, AZ. 1995.
- **Master's level graduate degree (*Diploma di Specializzazione*)**, Agricultural Economics. *Centro di Specializzazione e Ricerche Economico Agrarie per il Mezzogiorno* (CSREAM), Portici, Naples (Italy). 1992.
- **Bachelor degree (with honors) (*Laurea cum laude*) in Agricultural Sciences**, major in Agricultural Economics. University of Naples "Federico II", Portici, Naples (Italy). 1991.

Research experience

1. Participation in the project on **"Food security in an era of biofuels"**, coordinated by Brian D. Wright. Energy Bioscience Institute Project 007J60, University of California at Berkeley.
2. Project coordinator of the **"Feasibility study for introducing a security fund in the EU Fruit and vegetable sector"**. Contract awarded to the Centro per la Formazione in Economia e Politica dello Sviluppo Rurale. EC-DG-Agri contract no 2007-0546
3. Consultant for GEIE Agrosynergie for the **"Evaluation of the system of entry prices and export refunds in the fruit and vegetables sector"**. EC Framework contract no 30-CE-035027/00-37
4. Consultant for GEIE Agrosynergie for the **"Evaluation of withdrawals and crisis management in fruit and vegetables sector"**. EC Framework contract no 30-CE-0035027/00-37
5. Project coordinator of **"La gestione della pesca in Campania. Sviluppo di sistemi innovativi e analisi della sostenibilità della pesca a strascico"** (Fishery management in Campania. Development of innovative methods for sustainable trawling). Research project funded by Regione Campania. 2006/2007
6. Consultant for the UN-FAO as **"Thematic Advisor for operation of the Agro-Food Systems division of the National Agricultural Policy Center (NAPC)"**, Damascus, Syria, FAO/Italian Government, project GPC/SYR/006/ITA, various missions 2005, 2006, 2007;
7. Member of the Steering Committee of the project **"Design and economic impact of risk management tools for European agriculture"**. EU sixth framework project coordinated by Wageningen Agriculture University.
8. **Short term consultancy for the World Bank**, Social protection unit, Social Risk Management division, for the study of methods for vulnerability assessment, Washington, DC, February - June 2005
9. **Thematic Advisor for setting up and operation of the Agro-Food Systems division of the National Agricultural Policy Center (NAPC)**, Damascus, Syria, FAO/Governo Italiano, project GPC/SYR/006/ITA, 8 - 21 January 2005.

10. Member of the Scientific Committee organizing the [86th European Association of Agricultural Economists \(EAAE\) Seminar: "Agricultural Income Stabilisation: what role should public policies play?"](#), Anacapri, Italy, 21-22 Ottobre 2004.
11. Development of an ["Individually tailored training activity to the research staff of the National Agricultural Policy Center \(NAPC\)"](#), Damascus, Syria. Consultant. FAO/Italian Government, project GPC/SYR/006/ITA. February - July 2003.
12. Scientific coordinator of the project ["TecOnLine - experimental project for agricultural training through ICT technologies"](#), CFEPSR, Portici, June 2002- March 2004
13. Designing, planning and issuing of an advanced training course on ["Agricultural policies for developing countries"](#). UN-FAO /Italian Government, project GPC/SYR/006/ITA. Damascus, Syria, June 12- July 21 2002.
14. Visiting researcher at the University of California at Berkeley, Department of Agricultural and Resource Economics. Research project on ["Econometric models for the study of competitive storage and market equilibria"](#). August - October 2001.
15. ["Nuovi strumenti assicurativi per la gestione del rischio in agricoltura \(New insurance tools for risk management in agriculture\)"](#). MURST (Italian Ministry for University and Scientific Research) research project. Dipartimento di Economia e Politica Agraria, University of Naples Federico II. 2000-2002.
16. ["Strumenti per la Progettazione di politiche per lo sviluppo dei sistemi agricoli di Calabria e Puglia \(Tools for the design of development policies in the agricultural sector of Calabria and Apulia\)"](#). P.O.M. (Multiregional Operational Program) project. 1999/2002.
17. Partecipation to the SIDEA (Italian Society of Agricultural Economics) workshop on ["Recent innovations in the quantitative methods for outdoor recreation demand estimation \(Recenti innovazioni nei metodi quantitativi per la stima della domanda di ricreazione all'aperto\)"](#), Florence, 18-19 settembre 2000.
18. ["Effetti della PAC sull'economia italiana \(The effects of Common Agricultural Policy on the Italian Economy\)"](#), MURST (Italian ministry of scientific research) project. Collaborator. (Responsible: prof. Antonio Cioffi. University of Naples Federico II. Dipartimento di Economia e Politica Agraria, January - June 2000.
19. Participant, with professor Eugenio Pomarici, University of Naples and professor Claus Hennig Hanf, University of Kiel, Germany, to the development of: [a dynamic programming model for the analysis of agricultural regional development](#). *Christian Albrechts Universitat, Institut fur Agrarökonomie*. Kiel, Germany, 2-10 July 1996.
20. Participant in the research project: [Improvement of the Commercial Information System in Agriculture \(Potenziamento del Sistema di Informazione Commerciale in Agricoltura - SICA\) of the Tuscany Region](#), committed by Istituto Studi per l'Agro Industria (ISAD), Accademia dei Georgofili, Firenze, September 1995.
21. Participant in the research project: ["Policies for Structural change in small-farm agriculture in Italy and Portugal"](#). Research team directed by professor Gaetano Marengo. Centro di Specializzazione e Ricerche Economico-Agrarie per il Mezzogiorno, March 1991- July 1993.
22. Development of [AZIENDA.XLM, a software for the simulation of farms' economic results](#), written in Excel macro language. CSREAM, Portici, 1991-1993.

Teaching experience

Graduate course on ["Probabilità e Statistica \(Probability and Statistics\)"](#). College of Agriculture Graduate School, University of Naples Federico II, Spring 2008, 2009.

Undergraduate course ["Economia Forestale \(Forestry Economics\)"](#). University of Naples Federico II, College of Agriculture, Undergraduate program in Environmental and Forestry sciences. 2006; 2007.

Graduate Courses on **"Applied Production and Demand Analysis in Agriculture"**
Master in Agricultural Economics and Policy, CFEPSR, Portici, 2005; 2006; 2007.

Advanced training course on **"Analysis of the Impact of Economic Policy on Food Security"**, FAO/Italian Government project GPC/BGD/034/MUL, *"National Food Policy Capacity Strengthening Programme"*. Dhaka, Bangladesh, June -July 2006 and July 2007.

Undergraduate course on **"Istituzioni di Economia" (Economics foundations)**
University of Naples Federico II. Academic year 2005/06.

Graduate course on **"Economia delle risorse naturali" (Natural Resources Economics)**. University of Naples Federico II. Doctoral degree in Improvement and Management of Agricultural Resources and Forestry. Academic year 2005/06.

Graduate course on **"Introduzione all'economia delle risorse naturali" (Introductory Natural Resources Economics)**. University of Naples Federico II. Masters' degree in International cooperation to economic development through sustainable use of natural resources. Academic year 2005/06.

Undergraduate course on **"Fondamenti di Economia e Politica Agraria" (Foundations of Agricultural Economics and Policy)**. University of Naples Federico II, degree on Animal production technologies. Academic years 2003/04; 2004/05.

Graduate Course on **"Inferenza statistica per la ricerca in economia agraria (Statistical inference for agricultural economics research)."** Master in Agricultural Economics and Policy, CFEPSR, Portici, Fall 2004, 2005, 2006.

Undergraduate Course on **"Fondamenti di economia e politica agraria (Foundations of Agricultural economics and policy)"**, University of Naples Federico II, Academic year 2004/05.

Advanced training course on **"Agricultural Policies in Developing Countries"**, FAO/Italian Government project GPC/SYR/006/ITA, *"Assistance for capacity building through Enhancing Operation of the National Agricultural Policy Center"*. Damascus, Syria, June - July 2002.

Graduate Course on **"Applied Production Economics. (Econometric Analysis of production and supply functions)"** CFEPSR, Portici 2001, 2002 and 2003.

Graduate Course on **"Applied demand analysis"**, Master in Agricultural Economics and Policy, CFEPSR, Portici, 2002, 2003.

Graduate Course on **"An introduction to dynamic optimization (Introduzione all'ottimizzazione dinamica)"**, Master in Agricultural Economics and Policy, CFEPSR and CSREAM, Portici, 1999, 2000, 2001.

Graduate Courses on **"Theory and practice of non-market valuation"**, Master in Agricultural Economics and Policy, CFEPSR, Portici, 2000, 2001.

Graduate course on **"Agro-Food Economics"**, Scuola di Specializzazione in Economia Agro-Alimentare. University of Naples Federico II, Department of Agricultural Economics and Policy, 2000 2001.

Graduate Course on **"Introduction to use of Personal Computer and Networks for the research in the agrobusiness industry"** Master in *Agribusiness*, CFEPSR, Portici, 2000.

Series of lectures on **"The Economics of quality attributes"**, within the: 'advanced training course for experts of Agro-Food enterprises management', organized by the Comunità Montana dell'Ufita, Ariano Irpino (AV), 13 - 19 April 2000.

Sections for the undergraduate course on **"Agricultural Economics and management"**, University of Naples Federico II, 1999/2000 and 2000/2001.

Sections for the undergraduate course on **"Agro-food Economics"**, University of Naples Federico II, 1998/99.

Graduate Course on **"Environmental evaluations: theory and methods (Valutazione delle risorse ambientali. Teoria e metodi)"**, CSREAM, Portici, 1998 (with Michael W. Hanemann)

Graduate Student Instructor for ARE 211: **Econometrics I**, University of California at Berkeley, August - December 1997.

Graduate Course on: "**Optimization methods**", II Master course (*XXXIII corso di specializzazione*) in Agricultural Economics, CSREAM, Portici, 1995.

Teaching Assistant for AREC 217: **Environmental Economics**, University of Arizona, August - December 1994.
