

**STEFANIA CAPECCHI**  
DEPARTMENT OF POLITICAL SCIENCES  
UNIVERSITY OF NAPLES FEDERICO II  
VIA L. RODINÒ • 80138 NAPOLI- ITALY  
PHONE +39-0812537465  
e-mail: stefania.capecchi@unina.it

## PERSONAL INFORMATION

---

Date of birth: 15/04/1971  
Place of birth: Naples, Italy  
Nationality: Italian

## CURRENT POSITION

---

- From October 2020: *Associate Professor of Social Statistics* at the Department of Political Sciences, University of Naples Federico II, Naples, Italy

## PREVIOUS POSITIONS

2005-2020: Department of Political Sciences (formerly: Dept. of Statistics), University of Naples Federico II

- *Research staff officer*. Implementation of projects in different areas of social research: evaluation of public policies, education, training, working conditions, local development measures.
- *Lab and Repository Supervisor*, Statistical Analysis Laboratory (LAsT), in charge of data archiving and processing to support researchers of the Department and students of the Master of Science in Statistical Sciences.
- *Responsible for job orientation and guidance* services to Statistics students and graduates.

2016-2020: Department of Humanities, University of Naples Federico II

- *Adjunct Professor*, “Statistical Methods for Psychology” to the MA degree program in Psychology

2002-2005: University of Naples Federico II, Orientation and Guidance office

- *Responsible for monitoring and evaluation services*

---

## MAIN RESEARCH PROJECTS (MANAGER)

---

- 2020: Scientific Responsible, “IMPACT Campania” project, implemented by LESS (Social Enterprise), Naples Italy, subsidised by the Asylum, Migration and Integration Fund (FAMI) 2014 - 2020, Objective 2 (Integration/Legal Migration - National Objective 2 - Integration - Regional intervention plans for the integration of third country nationals), *Naples*
- 2014: Scientific Manager, Research project for the “Analysis of the socio-educational context” within the Municipality of Naples (services to children and school-work connection projects), *Prisma Cooperativa Sociale, Meta di Sorrento*
- 2012: Investigator (Consultancy), Statistical analyses for the project “Innovative statistical models for the measurement of Customer Satisfaction of agri-food products: the case of extra-virgin olive oil”, *Italian Ministry of Agriculture, Rome*
- 2004: Investigator (Consultancy), Statistical analyses for the project “Analysis of consumer preferences in the extra-virgin olive oil market and analysis of preferences of producers towards alternative measures of agricultural policies”, *Centro per la Formazione in Economia e Politica dello Sviluppo Rurale (Research Center for Training in Economics and Rural Development Policy) Portici, Naples*

## MAIN RESEARCH PROJECTS (MEMBER)

---

- 2017-2021: “Big data analytics in Sports” – international project, *University of Brescia (Italy)*, P.I. Prof. Paola Zuccolotto (<https://bdsports.unibs.it/>)
- 2017-2019: “CUB REgression MOdel Trees- CUBREMOT” – research project founded on a competitive basis by the *University of Naples Federico II (Italy)*. P.I. Dr. Carmela Cappelli
- 2014-2015: “Improving working conditions in Occupations with Multiple Disadvantages”, code: 141016, *European Foundation for the Improvement of Living and Working Conditions*, Dublin (Ireland)
- 2012-2014: “SHAPE - Statistical Modelling of HumAn Perceptions and Evaluations”

(<http://www.labstat.it/home/research/projects/shape/>). P.I: Prof. Maria Iannario, *University of Naples Federico II* (Italy)

- 2011-2106: “Modelli statistici per la job satisfaction dei laureati italiani” (Statistical models for graduates’ job satisfaction), Research Protocol between the *Dept. of Political Sciences of the University of Naples Federico II* and the *AlmaLaurea Inter University Consortium* (Bologna, Italy). P.I: Prof. Domenico Piccolo
- 2011-2012: FARO Project “Validazione dei modelli CUB nell’ambito della psicologia della decisione” (CUB models validation in the context of Psychology of decision), *University of Naples Federico II*. P.I: Prof. Domenico Piccolo
- 2010-2012: PRIN (National Research Program of the Italian of Ministry of Education and University, 2008) “Analisi delle strutture latenti: nuove frontiere nei metodi e nei modelli statistici” (Analysis of latent structures: new frontiers in statistical methods and models), project code: 2008WKHJPK/004. P.I: Prof. Paola Monari, *University of Bologna* (Italy)
- 2007-2009: PRIN (National Research Program of the Italian of Ministry of Education and University, 2006) “Metodi e Modelli Statistici per la Valutazione dei Processi Formativi” (Statistical methods and models for the evaluation of educational processes), project code: 2006133284/002. P.I: Prof. Paola Monari, *University of Bologna* (Italy)

---

#### INTERNATIONAL EXPERIENCE

- 2020-2021: Expert article on “Homebased remote work (teleworking) and its association with prevention measures in the area of MSDs and psychosocial risk factors in European companies based on statistical analysis of ESENER-3 data and existing research”. The procurement procedure was awarded by awarded by EU-OSHA, the European Union information agency for occupational safety and health (EUOSHA/2020/NE/LV/0095/T19), Bilbao, Spain
- September 2016: short visiting period at OECD, Directorate for Education and Skills, Paris (France)
- July 2015: short visiting period at the University of Tartu, Faculty of Social Sciences and Education - Institute of Psychology, Tartu (Estonia)
- March-June 2014: visiting researcher at Eurofound, The European Agency for Improving Living and Working Conditions, Dublin (Ireland)

---

#### AWARDS

- 2014: *Short mobility grant* - University of Naples Federico II- to support a visiting research period at Eurofound, Dublin - Ireland (April-June 2014)
- 2004: *Visiting exchange scholarhip*, EU program *Leonardo da Vinci*, “In-Academia” European exchange project, orientation and guidance evaluation-Best Practices at Portugal Ministry of Education, Lisboa-Oporto, April 2004

---

#### EDUCATION

- 1997: MA in Political Sciences, University of Naples Federico II, Italy
- Grade: 110/110 summa cum laude - full marks with honors
- 2011: Bachelor’s degree in Statistics, University of Naples Federico II, Italy
- Grade: 110/110 summa cum laude - full marks with honors
- 2015: Ph.D. in Social Research, University of Naples Federico II, Italy  
Dissertation in Survey Methodology: “*A modelling approach to the evaluation of Job Satisfaction of Italian graduates, before and after the Bologna Process*”

---

#### LANGUAGES AND COMPUTER SKILLS

- Italian (native speaker), English (excellent), Russian (beginner)
  - Microsoft Word, Excel
  - Typesetting: LaTeX
  - Programming: Stata14, R, Gretl
-
